

A still life photograph of three cocktails arranged on a light-colored, textured stone surface. On the left is a tall, elegant glass filled with a golden-yellow drink, ice cubes, a sprig of green mint, and two long, thin, light-colored sticks. In the center is a shorter, wider glass with a textured base, containing an amber-colored drink with a thick white foam head, topped with a slice of citrus and a red and white striped stirrer. To the right of the center glass is a half-slice of an orange. On the far right is a lowball glass filled with a dark red liquid and ice cubes. The background is dark and out of focus, showing warm, glowing orange and yellow bokeh lights, suggesting a fireplace or a similar warm light source. The overall mood is cozy and sophisticated.
