

A still life composition featuring three different cocktails. On the left is a tall, elegant glass filled with a golden liquid, ice, and garnished with a green leaf and two long, thin sticks. In the center is a shorter, textured glass containing an amber-colored drink with a thick white foam head, topped with a slice of citrus and a red stick. To the right is a simple glass with a dark red liquid and ice. A half-sliced orange and a piece of citrus are also visible on the surface. The background is a dark, out-of-focus fire, creating a warm, cozy atmosphere. The text "DRINKS MENU" is centered in the upper half of the image.
